LOGO USAGE

Do

Place on black or darkened photos. Keep clear space equal to the height of the "S" around it. Use the supplied PNGs.

Don't

Place on white or busy bright backgrounds, stretch, recolour, or add effects over the logo.

Minimum size

Logo no smaller than 120 px wide on screen. Below that, use the gear mark only.

VOICE

Confident, plain and helpful. Short sentences. Lead with the result: **"Repaired right. Back on the road."** Always end posts with a clear action: call, WhatsApp or visit.
